Making Money Moral

JANSEVA
CO-OPERATIVE CREDIT SOCIETY LTD.
(Regd. No. MSCS/CR/335/2010)

WHAT IS JANSEVA?

Janseva is a registered multi-state cooperative credit society with permission to operate in twelve states of India namely A. P., Bihar, Chhattisgarh, Delhi, Karnataka, M. P., Maharashtra, Orissa, Rajasthan, Tamil Nadu, U. P., and West Bengal.

WHY JANSEVA?

The poor rarely access to financial services through the formal financial sector. They address their need for financial services through a variety of financial relationships, mostly informal i.e. Money Lenders which is very exploitative and burdensome because of high rate of interest charged. The society is committed to undertake financial and business transactions on free from interest, speculation, gambling and exploitation. In the absence of a social/ Islamic Banks in the country, Janseva is the best option for all classes of people in the society irrespective of income level, caste, religion and region.

IT'S OBJECTIVES

1. Encourage to save some amount from your hard earned money and keep it safe and liquid.
2. Assist you to have access to interest free / low debt cost credit to fulfill your financial requirements.
3. Assist you to deploy your funds in various ways to earn lawful / *halal* income.
4. Assist you in getting easy access to the supply of goods and machineries for your household / business needs.
5. Assist you to have access to other financial services like money remittances, business capital, project proposals and medicals insurance etc on free/ low cost basis.
6. Assist to solve your housing and other needs through special purpose vehicle (SPV) being designed for the benefits of the members.
7. To do anything and everything lawful and within the scope of the MSCACT 2002.

IT'S PLANS

1. Society plans to establish its branches at different locations to provide the basic facilities to people.
2. Establish Janseva Education Research and Training Center (JERT)/ Institute for promotion of micro finance schemes through formation of SHG's (self help groups) for the empowerment of women, small entrepreneurs and other weaker sections of the society.
3. Establish Janseva Service / Support Centers (JSC) to provide information / support with respect to government schemes support for the needy.
4. Establish Business Advisory Cell (BAC) to educate, assist and or facilitate members to use their funds productively, promote existing / new businesses and marketing firms.
5. To design other schemes as per the requirement of the members for their empowerment socially, educationally and economically etc.

Why You Must Join! Because:

- You can become promoter of a financial system which is just and fair for owner, seeker and user of capital (money) in the country.
- You can solve your financial problems with mutual help and cooperation.
- You can save invest and get loan on interest free basis which ensure fair distribution of income and wealth in the society.
- You can avail various customized services in the fields of education, entrepreneurial training, networking, marketing for promotion of your trade, commerce and industry.
- You can effectively contribute to the National Mission of financial inclusion of poorer sections of the society.
- You can also ensure the best use of your charity fund by donating the same to the society's SHG Corpus Fund meant to economically empower weak women.
